- For walk-in coolers/freezers and personnel doors
- A great alternative to strip doors in high traffic areas
- Stainless steel hardware, self closing, even-plane hinge design with life-time rust proof guarantee
- Standard is .080" thick clear Polar grade PVC with "no-curl" reinforcement strip
- Universal mount hardware for in-jamb or wall mount

PP-C-080-3678 For 36" x 78" Doorway

\$390.00

CZN-8-PR-4080

M-108-PR-4080

Strip doors help cut electric bills.

- Adding strip curtains and automatic door closers to your walk-in refrigerator: they are inexpensive and easy-to-install. Strip curtains can cut outside air infiltration by about 75%!
- They decrease energy loss in walk-ins. They also increase compressor life. See savings in as little as three months.
